

Turbo

LED High Bay Light

GO GREEN, SAVE ULTRA

Turbo is designed with advanced integrated driver. The high efficiency, high reliability, and affordable cost make it a wonderful solution for industrial and commercial lighting.

www.auraled.co.uk

Features

- Highly energy efficient & cost efficient
- Superior uniformity enhances great visibility
- Built-in over-temperature & over-voltage protections
- First-rate integrated driver solution
- Easy handling with compact size and light weight
- Great durability backed by 5 years warranty

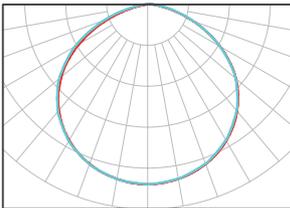

Specifications

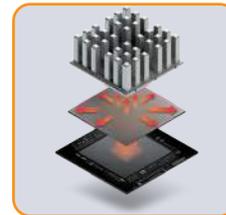

Model No.	AL-HB7-100(POB)	AL-HB7-150-(POB)	AL-HB7-200(POB)		
Rated Wattage	100W	150W	200W		
Luminous Flux	13,000lm	19,500lm	26,000lm		
Rated Voltage	AC 220V, 50/60Hz				
Power Factor	>0.9				
Efficacy	130lm/W				
CCT	5000K(2700K/3000K/4000K/5700K Optional)				
CRI	75Ra(≥85Ra Optional)				
Warranty	5 years				

*Specifications subject to change without notice

Distribution

Advanced Graphene Technology

Turbo adopts the advanced Hi-G thermal grease as its thermal fillers and enhances a superb thermal dissipation & higher efficacy.

Application

Applicable to warehouse, factory, gymnasium, supermarket and high ceiling lighting
