Re: New Banking Details

Attn: All customers

This notice is to inform you that Auralied Ltd will be moving banks. Our new bank account with Barclays Bank Plc has now been established. **Effective immediately, please switch the banking information for all future payments as noted in this document.**

Our previous Barclay's Bank account will remain open during the transition period; therefore, any payments that have already been scheduled will be received.

As always, be very cautious with those asking you to update banking information unless it's from a reliable source. Auralied Ltd will NOT be responsible for any fraudulent activity due to lack of verification.

Please reach out to your dedicated sales rep or accounting contact only, when verifying banking details. We thank you for your business and continued support!
